

Season kickoff!

**Giving back to the community as a Team -
*Helping kids in need with simple acts of Kindness.***

**Get your team together and join us for an event on
November 4th at First Baptist Church Raleigh**

(Donations needed by October 29th)

On November 4th from 9:30 – 12:30 – the basketball teams with the Triangle Girls Church Basketball Association will come together for a community event to help children in our local hospitals. All players and their coaches are encouraged to participate. The event will include hands on projects to support The Comfort Project, a local program in our area, run by one of our team's families. Encouraging words will be shared by two team families impacted by our local Children's Hospitals. Pizza also will be served.

To make this event successful, we need each team to contribute items for the event, for Duke Children's hospital, prior to November 4th. The team with the most donations will win a special prize! Donations will need to be collected by the team and coaches by Sunday, October 29th and delivered to First Baptist Church or The Comfort Project prior to the event.
